

Cash Management Account Features Comparison

To create an account with Australian Money Market (AMM), a corresponding Cash Management Account is required. AMM moves funds between financial institutions via this "hub account" for the settlement of investment deals. Funds are always held in the individual or entity's name.

We offer a choice of Cash Management Accounts from the following providers:

CMA FEATURES	Available for existing CMA Accounts only			
	BANK OF QUEENSLAND	MACQUARIE	ANZ	COMMONWEALTH BANK
